Handwritten practice on a grid. The grid consists of 20 columns and 20 rows. The columns are labeled with dates from 1/9 to 10/10. The rows contain handwritten characters, primarily the letter 'a', and diagonal slashes. The characters are arranged in a pattern that suggests a sequence or a specific handwriting exercise. For example, the first row contains diagonal slashes in all columns. The second row contains diagonal slashes in columns 1 through 10, followed by a 'a' in column 11, and diagonal slashes in columns 12 through 20. This pattern repeats with increasing frequency of 'a's as the rows progress.
