Dr.V.S.KRISHNA GOVT. DEGREE COLLEGE

(An Autonomous Institution Affiliated to Andhra University)

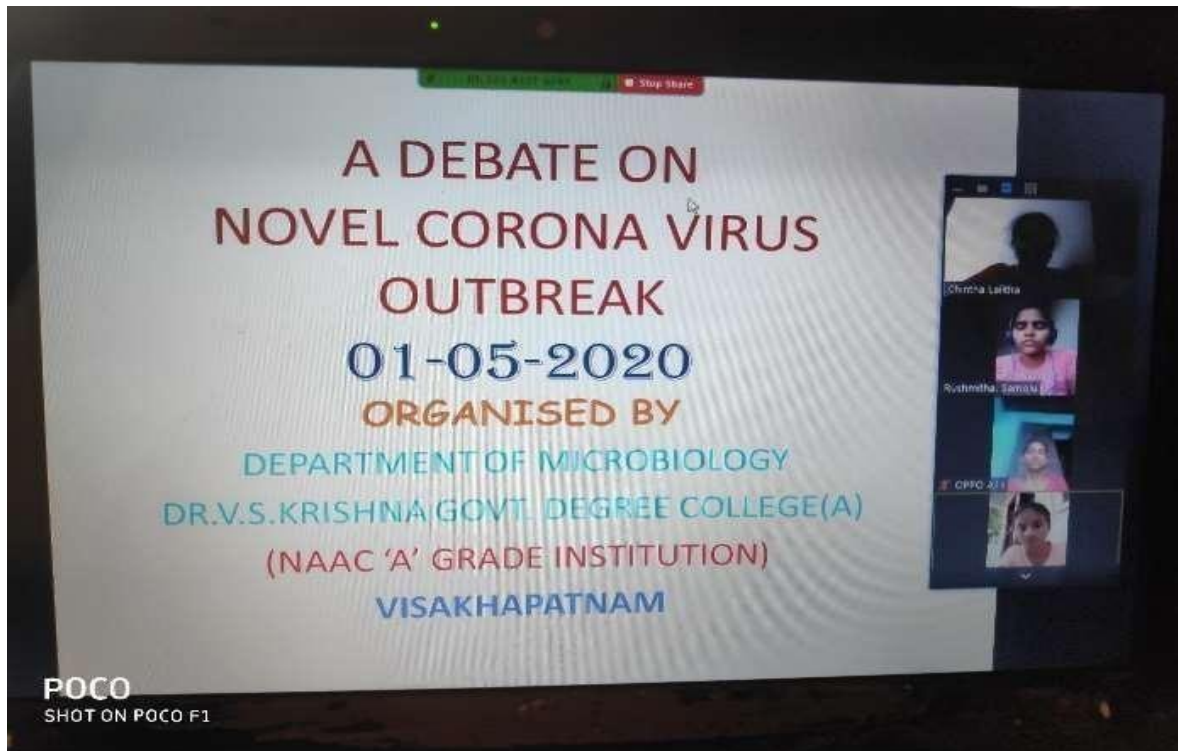

Reaccredited by NAAC with 'A' Grade(3rd Cycle)

District Resource Centre & Center for Research Studies
Maddilapalem, VISAKHAPATNAM 530 013, Andhra Pradesh

Name of Department	MICROBIOLOGY
Name of Event Organized	A DEBATE ON NOVEL CORONA VIRUS OUTBREAK
Date of Event Organized	01-05-2020
Name of the coordinator of the Event	Dr.Ch.Lalitha
No. of Participant (Student +Staff)	46 students + 1 staff
Objective of the Event	In view of surge of Covid -19/corona virus among the world , most of the people believed it as a bio war agent. To clarify the conflict this debate was conducted.
Description of the event	Students of final year microbiology of MB/BT/C and MB/BC/C have participated in this event. Some discussed that Corona virus is a bio warfare. Some thought it's a leak from laboratory from the researchers who got attacked while working with SARS virus. Some discussed that this a mutated form for SARS after discovering the unusual spread of pathogen and noticed by the researchers its used to kill few people which got transmitted drastically all over the world and became a pandemic.
Outcome of the Event	Whatever the reason may be without proper evidences nobody couldnot conclude the source of transmission. What is challenge ahead is to stop the spread of its transmission and pathogenicity and weaken the virus.

(An Autonomous Institution Affiliated to Andhra University)

Reaccredited by NAAC with 'A' Grade(3rd Cycle)

District Resource Centre & Center for Research Studies
Maddilapalem, VISAKHAPATNAM 530 013, Andhra Pradesh

Name of Department	MICROBIOLOGY
Name of Event Organized	National Webinar on “ Diagnostics and Therapeutics of COVID-19 Pandemic – Current Issues and Challenges ”
Date of Event Organized	18-08-2020
Name of the coordinator of the Event	Dr.Ch.Lalitha
No. of Participant (Student +Staff)	317participants
Objective of the Event	To learn the research facts and developments regarding Covid-19 virus.
Description of the event	First talk was given by Prof.D.V.R.Sai Gopal on “Covid-19 pandemic challenges for development of diagnostics ”. The second talk was given by Dr.Krupakar Parthasarathy on “Lessons combating SARS in combating Covid-19 Diagnostics and Therapeutics”. His presentation focussed on the studies of Covid-19 genome using CRISPR/Cas9 technology.
Outcome of the Event	The sessions taken by the resource persons include original research work and observations. So, all the faculty. Research scholars, technicians and students benefited by the information shared by the researchers. Certificates were distributed online to all the participants. Delegate certificate have been given to the resource persons.
