DEPARTMENT OF MATHEMATICS

BEST PRACTICES (2022-23)

1.	Name of the Department	Department of Mathematics
2.	Title of the practice	The Calcholics
3.	Objectives of the practice	To encourage students in solving puzzles that are not part of academics
4.	The Practice	A WhatsApp group has been established, comprising department staff and a select group of student volunteers, to oversee an engaging puzzle activity. It has been decided to introduce a new puzzle on every alternate working day, supplemented by the provision of chocolates to incentivize student participation and engagement. This initiative is entirely organized and managed by the student group, including the maintenance of activity records.
5.	Obstacles faced if any and strategies adopted to overcome them	No obstacles found so far

6.	Impact of the practice	● The students are acquiring to problem solving skills. ● An opportunity for boosting the confidence levels of the students through interaction with their peers.
7.	Resources required	No resources required for this programme.
